Free Libertarian Party of New Mexico

Dear Board of Directors,

Please accept this letter as formal resignation of my position as Chair for the Free Libertarian Party of New Mexico this 2nd day of May, 2023. It is with great contemplation and intense wrestling of my "wants" vs. "needs" that I have made the gracious decision to step aside. My conviction of Freedom and Liberty are robust and crucial to my life, and I feel that if I could not give 100% of my mind, time and heart, then I would not be truthful to what I believe in. My "want" is to drive this party to ballot access and provide the most formable 1/3 entity that would speak the truth in pure conviction and bring light our dark state.

Currently, my husband and family have now become the most vital aspect of my life. The past unforgiving political trail required each of them to give to the journey a hundred times over. My children have sacrificed so much gentle-motherly time that I can no longer ask them to give anymore, for it is their FREEDOM and their LIBERTY I must teach and give them individually before it is too late. Times are currently changing fast and, as I said so many times before, we, Native American Indians, get hit hard first, then the rest of the world feels it. Poverty and struggle is here and cannot be avoided, we are living at the head of it. I am tragically more busy than I was on the campaign trail.

Lastly, the "need" of my existence is, I am also being challenged to visit my personal health and drive all of my energy to seeking out doctors not of New Mexico. We all know how bad the healthcare system is in our state and I will not give the Democratic healthcare system my body.

I sincerely hope you find a way to keep going and figure out a way to INSPIRE New Mexico without me. I know you can do it, the team is stacked amazingly well, the talent the board carries is grand. New Mexico needs a party with a backbone, I implore you all to give them one. From the North Western boarder of New Mexico, may the Lord bless you and protect you.

Yours in Freedom &
Liberty,

Karen E. Bedonie
